

WELCOME TO OUR

RESPECT & LIFE SKILLS PROGRAMME

SPONSOR A SCHOOL PROGRAMME

 Sponsor a School – Change a Life

Help Local Young People Build Respect, Life Skills, and a Brighter Future

We believe every young person deserves the tools to thrive – not just academically but emotionally, socially, and mentally.

That's why we're offering our MYND Life Skills and MYND Respect Programmes – usually delivered as coach-led courses for £200 and £80, respectively – to local schools for just £5 per pupil.

This unique offer allows schools to deliver both programmes teacher-led in class or online, complete with all necessary resources, guidance, and support materials. The £5 fee covers essential admin and technical costs to ensure smooth access and delivery of the entire programme.

✨ Here's How It Works:

We're inviting local businesses and individuals to sponsor a school. Your sponsorship means that an entire school of young people will get access to life-changing content – equipping them with confidence, resilience, emotional intelligence, respect for self and others, and practical skills for everyday life.

- What you're sponsoring: The complete Life Skills and Respect programme at a symbolic cost of £5 per pupil.
- What the school gets: All modules (normally coach-led for £280) are teacher-led with complete resources and online access, creating a real impact where it matters most.
- You get Recognition on our website and materials, a certificate of appreciation, and the knowledge that you've made a lasting difference in young people's lives.

✅ Why Your Business Should Get Involved

- Boost your local reputation: Supporting this initiative shows your company truly cares about your community.
- Positive PR opportunity: We'll share your sponsorship on our website and social media (and you're welcome to shout about it, too).
- Employee pride: Your team will feel proud to work for a company investing in the next generation.
- The real impact, real people: You're not donating to a vague cause – you're changing lives in a school just down the road.

📊 The Bigger Picture: What Your Sponsorship Supports

- Practical life tools – from communication and confidence to goal-setting and resilience.
- Respect education – helping pupils learn self-respect, empathy, and how to build healthier relationships.
- Support for excluded and vulnerable youth – many recipients are from marginalised groups or at risk of disengagement.
- Cost-effective giving – just £5 per pupil for a complete programme (retail value: £280). Maximum impact for minimal cost.

✨ One of the Best Ways to Use Your Social Impact Budget This Year

Many worthy causes are out there, but very few offer this level of return on impact for your community. If your business has a CSR budget, ESG targets, or wants to make a visible difference, this project will return in 2025. Let's do something extraordinary. Together.

📞 Interested in Sponsoring a School?

Whether you're a local business, a parent, or someone who cares – we'd love to hear from you.

Let's team up and give young people the skills they don't always learn in the classroom – but need.
